St Radegund's:

- St Radegund's still seems like it shouldn't occur

It is with great regret, but with the health and safety of the Kingdom in mind, that we have made the difficult decision to postpone St. Radegund's Faire until 2021. We are deeply saddened by this decision, but we know that this is the best decision for the populace throughout the Kingdom.

- If it doesn't occur, how could we support that endeavor alternatively
